1. The competitor must bring his/her own model(organizer do NOT provide models) Always pick models with symmetrical eyes, with good lashed, but keep in mind the time is limited and average number of lashes is better than extra rich
2. The organiser will provide all competitors with a bed, chair and disposable paper bed roll. Competitors have to provide their own lamp, materials, pillow, blanket, nanomister, higrometre... (everything what is used while working)
3. All competitors need to arrive on time scheduled for registration (at least 30 minutes before the start), together with their model, where both will receive their numbers of participation
4. Competitors will have 30 minutes before start to prepare working space, clean model's lashes, apply eye patches, write the lash chart and decide about the lash style.If the competitor starts applying lashes before the start sign is given, the organizer has a right to disqualify that contestant
5. During the competition, while working, competitors should not leave the competition area without permission, talk loudly, use mobile phones or talk to the other contestants
6. Before the competition starts, organiser will check model's eyelashes for any damage or redness of the eyes.
7. During the competition contestants should wear proper clothes with their hair tied back and with protective mask over the face
8. CLEAR ADHESIVE is not allowed-contestants must work with BLACK ADHESIVE
9. OMBRE lashes are not allowed-only black or brown colour
